

September 20, 2017

Dear Mainstreet USA Patrons,

I wanted to make you aware of an important change that will impact many of our local elementary schools. As you may know, Mainstreet USA has operated within our school district for decades and has served over 70,000 students.

Most recently, Mainstreet has been housed in our old communications building on Pitt Street. Over the past couple of weeks, it has come to our attention that this facility is no longer an appropriate location for students, parents, and staff to visit.

With this in mind, we are saddened to share that effective immediately, Mainstreet USA will no longer be hosting fieldtrips. All fieldtrips for the 2017-2018 school year will be canceled.

The future of Mainstreet USA is unknown. Don and Cheryl Everhart are working to determine if they want to continue the program at another location or retire. If they move to another location, that will be communicated. Either way, I want to express our appreciation to Don and Cheryl for making a tremendous difference for the students of Olathe and our surrounding area.

Thank you for your understanding and unwavering support of this quality program.

Please let me know if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read 'Brent Yeager', written in a cursive style.

Dr. Brent Yeager  
Executive Director of General Administration, Elementary Programs  
Olathe Public Schools
